

REAP Conservation Education Program (CEP)

Grant requests from the REAP CEP Board are 2.2 times more than the \$350,000 the goes to this program annually. Although there is no requirement for matching funds, the actual projects are typically 2.5 times the amount being requested from REAP, meaning that REAP CEP is causing many more dollars to be spend on conservation education than what it actually provides.

	Total \$Grant Request	REAP \$ Request
Nov. 2011 Totals	882,570	301,430
May 2011 Totals	513,916	292,701
Total	5,280,834	2,092,274
May 2010 Totals	983,766	470,141
Nov. 2010 Totals	846,062	167,384
Total	3,884,348	1,498,143
Nov. 2009 Totals	892,179	344,432
May 2009 Totals	848,751	327,909
Total	2,054,520	860,618
May 2008 Totals	1,095,701	402,091
Nov. 2008 Totals	649,917	262,802
